

POLICIES

The Board of Directors has jurisdiction to legislate policy for the District with the force and effect of law. Board policy provides the general direction as to what the Board of Directors wants to accomplish. The Superintendent is responsible for implementing Board policy.

The written policy statements provide guidelines and goals to the community, administration, employees and students in the District. The policy statements are the basis for the formulation of regulations and procedures by the administration. The Board of Directors will regularly review policy according to Iowa Code.
