Kirkwood Interactive Camps for Kids

Kirkwood Interactive Camps for Kids (KICK) are exciting and educational summer camps for youth ages 8 – 15. Designed around career exploration, KICK provides fun, hands-on activities that promise to develop and build key skills for future success. No matter what career field you want to explore, these camps are sure to be an unforgettable adventure full of inspiring accomplishments and new friends!

CEDAR RAPIDS CAMPS

HANDS-ON S.T.E.A.M. EXPLORATION

What does S.T.E.A.M. mean?

It stands for Science, Technology, Engineering, Arts, and Math! Our camps get you up close and personal to all the cool things in each of these topics.

BFF Necklaces and Bracelets

In this camp, we will learn how to work with polymer clay and mold it into beads. We will take the beads, bake them, and string them to create bracelets or necklaces! This jewelry will be the perfect gift for your best friend to acknowledge your everlasting relationship. **Ages 8-15.**

CLYO-2932 / 1 session / \$45

>**127892** Th 8:30am-12pm Jun 16
Ruopp Arts and Theatre Annex

Classic Tie-Dye

This one-day camp will touch on the classic camp craft tie-dye! You will get the opportunity to learn how to do different tie-dye styles and create your own pillowcase and T-shirt! **Ages 8-15.**

CLYO-2945 / 1 session / \$45

>**127947** W 8:30am-12pm Jun 15
Ruopp Nielsen Hall

>**128033** W 8:30am-12pm Jul 27
Ruopp Nielsen Hall

>**128150** W 8:30am-12pm Aug 3
Ruopp Nielsen Hall

Cricut Crafting

Explore your imagination and create your own designs! Together we'll use a Cricut Explore Air 2 to make multiple fun projects all on your own. We'll learn how to use the design program, cut from paper and vinyl, and safely operate a Cricut machine. The creative possibilities are endless!

CLYO-2932 / 4 sessions / \$149

>**127998** MTWTh 12:30-4pm Jul 11-Jul 14
Hoffman KCLL

Ages 8-11

>**128009** MTWTh 12:30-4pm Jul 18-Jul 21
Hoffman KCLL

Ages 12-15

Crime Scene Investigators

Who done it? In this camp, you'll solve the crime! Learn to apply science to examine the surroundings and solve a mystery. Study a crime scene looking for clues, analyzing fingerprints, identifying mysterious substances, and using chromatography to narrow your search for the "perp."

CLYO-2550 / 3 sessions / \$119

>**128031** MTW 8:30am-12pm Aug 1-Aug 3
TBA KCLL

Ages 8-11

>**128029** MTW 12:30-4pm Aug 1-Aug 3
TBA KCLL

Ages 12-15

DIY Birdhouse Design

A birdhouse is a fun and practical craft that you can put in your yard or garden to attract some sweet little birdie friends. Join us in the art room at Kirkwood for a day of loosely structured artistry with mosaicking, painting, sculpting, and — most importantly — building a home for birds!

Ages 8-15.

CLYO-2932 / 1 session / \$45

>**127963** Th 12:30-4pm Jul 14
Sileo Nielsen Hall

Fused Glass

In this camp, explore the wonderful world of glass and create art that you can call your own and take home! We will create a mosaic coaster, a more detailed fused piece that can be slumped into a different shape, a pendant, and magnets. On the last day we will do glass engraving to a fused piece you have created to make cool designs and personalize it even more. **Ages 12-15.**

CLYO-2932 / 4 sessions / \$159

> 127885	MTWTh 12:30-4pm	Jun 13-Jun 16
	Benish	Arts and Theatre Annex
> 127993	MTWTh 12:30-4pm	Jun 20-Jun 23
	Benish	Arts and Theatre Annex

Glass Suncatcher

Learn to cut and fuse sheet glass! Then design your own suncatcher and create a stunning window piece! **Ages 11-15.**

CLYO-2932 / 2 sessions / \$75

> 127887	MT 8:30am-12pm	Jun 13-Jun 14
	Ruopp	Arts and Theatre Annex
> 128019	MT 8:30am-12pm	Jul 25-Jul 26
	Ruopp	Arts and Theatre Annex

Hand Sculpting with Clay

Learn how to mold and shape clay in this hands-on camp. Using your hands as your most basic tools, learn how to prepare your clay and make forms from slabs, coils, and by pinching the material. Create a variety of shapes from boxes to animals and more if you wish! The first three days will be centered on the three basic types of hand building, and on the fourth day you can apply color and designs to the surface. All the work will be glazed and ready to pick up the following week. **Ages 8-15.**

CLYO-2952 / 4 sessions / \$149

> 128008	MTWTh 12:30-4pm	Jun 20-Jun 23
	Ruopp	Arts and Theatre Annex
> 128144	MTWTh 12:30-4pm	Jul 11-Jul 14
	Ruopp	Arts and Theatre Annex

Introduction to the Potter's Wheel

Learn how to work and shape soft clay as it spins on the potter's wheel in this hands-on camp. Using your hands as your most basic tools, you will learn how to prepare your clay, center it on the wheel, and create a variety of forms from cups to bowls to vases and more if you wish! The first three days will be centered on making art on the wheel, and on the fourth day you can apply color and designs to the surface. All the work will be glazed and ready to pick up the following week. **Ages 11-15.**

CLYO-2952 / 4 sessions / \$149

> 128133	MTWTh 12:30-4pm	Jun 27-Jun 30
	Ruopp	Arts and Theatre Annex
> 128149	MTWTh 12:30-4pm	Jul 18-Jul 21
	Ruopp	Arts and Theatre Annex

Math Brain Games

Have fun this summer with strategic thinking and problem-solving fun! This camp will improve your ability to apply and solve math in the real world. You will use your power of deduction to strengthen your reasoning, learn new problem-solving strategies, and utilize a variety of brain teasing puzzles and games. All activities are hands-on, minds-on, and engaging! **Ages 8-14.**

CLYO-2800 / 4 sessions / \$149

> 127997	MTWTh 8:30am-12pm	Jul 18-Jul 21
	Anderson	KCLL

Middle School Summer Jazz Band Camp

Your kids will enjoy this summer jazz band camp with professional instruction in theory, improvisation, big band, combo, sectionals, jazz listening, and private lessons. It's open to any band student entering grades six through nine with at least one year of band instruction or private lessons. **Ages 9-15.**

CLYO-2900 / 5 sessions / \$200

Morning Session

> 127070	MTWThF 8:30am-12pm	Jul 18-Jul 22
	Green	Cedar Hall

Afternoon Session

> 127071	MTWThF 1-4:30pm	Jul 18-Jul 22
	Green	Cedar Hall

Painting eye-catching pieces in the Glass Suncatcher camp!

Myths Busted: The Art of Science

Have you seen Discovery Channel's popular television series MythBusters? They do some awesome stuff. In this camp you will have the opportunity to perform amazing experiments to see if the myths are true or busted!

CLYO-2540 / 4 sessions / \$159

Careers

Rocket Camp

Three, two, one, blast off! Learn the fundamentals associated with rocketry while gaining an understanding of the principles of aerodynamic stability, rocket propulsion, and recovery. Design and build your own straw rocket and enter your design in our KICK straw rocket competition. Take your rocket to the next level by building, decorating, and flying your own powerful solid-fuel rocket soaring to heights up to 1,000 feet! Lots of fun for everyone and guaranteed to stimulate a sense of accomplishment and improve self-esteem. Campers get to take home all of their rocket creations. **Ages 9-15.**

CLYO-2510 / 2 sessions / \$75

Shoemaker KCLL

>127999 WTh 8:30am-12pm Jun 29-Jun 30
Shoemaker KCLL

Blending cool experiments in one of our science camps.

Slime, Ooze, and Chemistry

Slime — nothing else feels quite like it! This delightfully versatile substance can be customized in endless ways with various colors and textures. At this camp, we will have the opportunity to make loads of different slimes and learn all about what exactly makes slime so ... slime-y ... on a molecular level. At the end of the camp session, you'll leave with your own gooey creations! **Ages 8-11.**

CLYO-2555 / 3 sessions / \$125

>127978 MTW 12:30-4pm Jul 11-Jul 13
Sileo Nielsen Hall

The Code of Life: Genetics 101

Have you ever wondered why living things are the way they are? The answer lies in the mysterious arena of genetics. Join us this week to learn about how and why life exists the way it does by performing a variety of fascinating demonstrations and taking an in-depth dive into some serious biology. **Ages 8-13.**

CLYO-2555 / 4 sessions / \$149

>127983 MTWTh 8:30am-12pm Jul 11-Jul 14
Sileo KCLL

Whose Laugh is it Anyway? Performing Improv

Do you like to perform and to make people laugh? Spend the week learning improvisation skills by watching performances, doing improv drills and games, and conclude with an in-class performance. You'll learn how to develop characters and relationships, create and use an environment to your advantage, work with other team members, and use the physical space of the stage area — all while making each other laugh!

Ages 12-15.

CLYO-2870 / 4 sessions / \$175

Shoemaker KCLL

CREATING WITH COMPUTERS

Battle Royale: Make Your First Fortnite-Style Video Game NEW

Fans of Fortnite, we need you! Instead of playing the game, design your own. Using a professional 3D game development software, build levels and assets inspired by popular battle royale games like Fortnite. Students can participate in eSports League matches against other schools across the country with a chance to have their levels featured in the Black Rocket master build of the game! This course includes cartoonish action and battle sequences. Student-created games will be available on a password-protected Black Rocket website to share with friends and family.

Coding together in the Sphero Robotics camp.

Minecraft Modders

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a password-protected Black Rocket website to share with friends and family. Students must own a Java version of Minecraft to take this class. Tablet, phone, and game console versions of Minecraft are not compatible. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years.

CREATING WITH COMPUTERS

Code Breakers

Calling all future coders, programmers, and designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of Web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be the next Mark Zuckerberg or the high school student who recently made \$1 million for programming in their bedroom, this course has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years.

eSports Apprentice – NEW Streamers and Gamers

Whether you want to be the next pro gamer, streamer, or gamecaster, this course will teach you the basics to get started! No longer just a hobby, eSports is the fastest-growing career for the next generation. Over 400 million people watched YouTube videos and Twitch streams of video game competitions in the past year! In this course, students will develop game-play skills and compete using Black Rocket's eSports games and apps, learn how to produce commentary for live tournaments, use professional streaming software, and, most importantly, practice online safety. Student recordings will be available on a password-protected website to share with friends and family. Videos will not be broadcast publicly but will be shared with all students in the class.

Black Rocket Online

Ages 8-11

YouTube Content Creators (Online)

Find your voice and leave your mark on the world! It's time to start a career as the next YouTube star. Explore the variety of content and personalities that exist on YouTube and how to find your own niche. Learn the do's and don'ts of the platform and how to practice good digital citizenship. Develop your on-camera presence, your own channel branding, and professional editing skills. Take home a plan for launching your own channel with the content created in class! Student projects will be available on a password-protected Black Rocket website to share with friends and family. Students work in pairs or teams for most of the program.

YouTube FX Masters (Online) NEW

Do you love movies with exciting special effects, like "The Avengers," "Star Wars," or "Harry Potter"? Amaze your friends by swinging a lightsaber or blasting fire from your hands and becoming a master of the illusions used by Hollywood artists to create visual effects magic. Whether you want to enhance your YouTube videos or create a cool scene to amaze your friends, this class teaches the tools you need to make it happen. Experiment with visual effects as you learn the dynamics of camera angles, editing, graphic layering, and sound effects. Then watch as your new creations take your content to the next level! Students will work in pairs and teams during this course. Student projects are available on a password-protected Black Rocket website to share with friends and family.

GENERAL INFORMATION

COVID-19 Protocol

Ensuring the health and safety of our campers, counselors, teachers, and staff is our priority. Protocols are subject to change as new guidance is released by CDC, IDPH, and Kirkwood Community College. We have a large variety of online camps this summer too.

How to Register

See the registration page at the back of this brochure. If registering by mail, please use one form per student (forms may be copied). If registering online, please create one account per student using their name and date of birth.

Release/Waiver of Liability Form

One week prior to the start date of the camp(s) your camper is registered for, you'll receive an information packet containing a confirmation letter, parent/behavior policy letter, and a pink sheet that includes a release/waiver of liability and transportation form. Parents or guardians should complete and return the pink form on the first day of camp.

Supervision Policy

Children must be accompanied by a parent or guardian except when under the direct supervision of camp instructors or staff. Children may not be left unattended before camp, during the lunch period, or after camp. Students should be brought to their camp no earlier than 15 minutes before the camp start time and must be picked up no later than 15 minutes after the camp end time.

Age Policy

All camps are for youth ages 8 – 15, unless specified in the descriptions. No younger students will be admitted.

Locations

Locations vary by camp. See individual descriptions.

Transportation

Students and their parents or guardians are responsible for all transportation arrangements. Please pick up and deliver your student at assigned locations. Limited transportation is available on the main Cedar Rapids campus between camps upon request.

Tuition Assistance

To apply for KICK tuition assistance, complete the form on pages 42 – 43, visit www.kirkwood.edu/kick, or call 319-398-5529.

Refund Policy

Refunds will be issued to learners who withdraw from camp at least one week prior to the camp start date. No credit will be issued for camps dropped on or after the camp start date. To withdraw your registration, please call 319-398-1022.

Questions

Go online at www.kirkwood.edu/kick and click the link to the Frequently Asked Questions. If your question is not answered there or you do not have Internet access, call 319-398-1022.

Directions

A map and directions to the Kirkwood Community College campus are available online at www.kirkwood.edu/maincampus. For off-campus camps, the address will be sent to you in your information packet.

Register early, as camps can fill quickly! Be sure to check KICK online at www.kirkwood.edu/kick to see if additional sessions have been added to your favorite camp(s).

KICK TUITION ASSISTANCE

Every young life deserves to be enriched by the Kirkwood Interactive Camps for Kids experience. Using eligibility for the federal free school lunch program as qualification, Kirkwood Community College tuition assistance is available on a first come, first served basis for participation in the 2022 KICK summer program.

To apply for tuition assistance, please visit www.kirkwood.edu/kick or call 319 398 5529 for a KICK tuition assistance form.

Kirkwood Summer Camp Tuition Assistance Application

Please complete the form and return it to Kirkwood Continuing Education. Tuition assistance will be based on the federal income eligibility guidelines.

Free and reduced lunch automatically qualifies your camper for tuition assistance. A letter from the Food and Nutrition Department or from your child's school is required with each application. Please attach a copy of the letter to this application.

If you are not on free and reduced lunch but qualify under the federal income eligibility guidelines, please call 319-398-5529 for more information.

Tuition assistance is available on a first-come, first-served basis and is limited to one camp per child.

1. Complete one application per child.
2. Answer all questions on the form.
3. Sign the form and return it to Kirkwood Community College — Continuing Education.
4. Your child's registration for camp will be processed after scholarship eligibility is determined.
