

Growing Futures

Help the environment, get paid to plant trees, and build your resume!

Growing Futures teammates plant, water and take care of hundreds of trees in Cedar Rapids. Grow your future through hands-on job experience!

 Spring work days run April - June, summer dates run June - August, and fall dates from September - November!

 Teammates work on Saturdays during the spring and fall seasons. Summer work days run Mon - Thurs.

 Learn important life skills, explore green career options, and participate in professional development trainings!

 Have a positive impact on the Cedar Rapids community by replanting the tree canopy!

Applications are open now!

\$12 AN HOUR FOR HIGH SCHOOL TEAMMATES!

WHAT IS TREES FOREVER?

Trees Forever is the non-profit partner that plants trees throughout our city as part of the ReLeaf Cedar Rapids program.

Growing Futures employs local high schoolers to plant, prune and take care of trees all across the city.

Together we are replanting our local tree canopy!

Do you know a teenager that's interested in helping the environment and getting paid? Please help us share this fun and rewarding job opportunity!
