VOLUNTEER OPPORTUNITIES

We are grateful for the support and dedication of our many volunteers. Our volunteers include working parents, non-working parents, extended family members and community partners. If you are interested, we have many opportunities for you to choose from. Please fill out the information below and return it to the Main Office if you are interested in being contacted when volunteer opportunities arise. (Returning this form does not obligate you. You will be contacted to confirm availability for any volunteer event). If you have any questions regarding the McKinley volunteer program, please contact Jackie Mason at jmason@crschools.us. All volunteers must complete an online volunteer application before volunteering at the school.
