

Non-School Team Participation Request Form

The Cedar Rapids Community School District Board of Education Policy 408 for non-school team participation states:

A student who participates in a sport sponsored by the District may participate in a non-school team as an individual or member of a team in an outside school event, with permission of the Activities Director. Outside participation shall not conflict with the school sponsored athletic activity without prior approval by the Activities Director. This information will be available in the student handbook.

It shall be the responsibility of the District to inform all student athletes of the Non-School Team Participation. It is the responsibility of the student athlete to inform school personnel of a conflict. A student who participates in a sport sponsored by an organization other than the District without obtaining permission shall be ineligible to participate on a school-sponsored team in that sport for one-third of the season. A second offense shall be ineligible for one-half the season, while a third or more offense shall be ineligible for twelve (12) calendar months.
