Welcome to Cedar Rapids Community School District! We are happy you are joining us.

CRCSD is home to 21 elementary schools, six middle schools, and four high schools. We also have additional educational options for your student, including six [magnet schools](#) and our [homeschool assistance program](#). If you are new to CRCSD or are returning to the district after an absence, you must complete the registration process.

Welcoming students for the NEXT school year, beginning August 23, 2023, you can register using the button below.
