"Although in body Virginia will no longer be near us, the memory of her will be permanently fixed in our hearts."

#### VIRGINIA VANOUS

The following story appeared in the Record of January 19, 1942 regarding Virginia's untimely death. She was a member of the June Class of '43:

"Although in body, Virginia will no longer be near us, the memory of her will be permanently fixed in our hearts; know that even though the circumstances of her death were heart-rending and here on earth she was radiantly happy; she is comforted and enjoys a greater peace and is in the presence of God."

This was a portion of a tribute to Virginia Vanous, Roosevelt high school junior, who died Friday, January 9, 1942, from injuries received in an automobile accident, paid by the Rev. C. Hafley of the Four Square Tabernacle in the funeral service Monday, January 12, in the Beatty Chapel. Virginia was the daughter of Mr. and Mrs. Edward Vanous of 835 F Avenue N. W. She is survived, in addition to her parents, by a sister, Patricia Vanous, an 8B student at Roosevelt.

Approximately three hundred of the eight hundred persons attending the funeral, were members of Roosevelt high school. Six students, Don Palmer, Gaylord Duval, Fred Bissell, Don Morgan, Emory Sample, and Fred Andrews, served as pall-bearers.

Floral pieces in the home included those sent by the student body, the homeroom class, and the Student Council.

"You always knew where to find her as she was on the right side of every proposition."

HELEN JOHNSON

The following appeared in the Record of March 22, 1943, concerning Helen's tragic death, after a brief illness:

"At eventide there shall be light." With this thought in mind a tribute was paid to Helen Johnson—popular senior—by Rev. A. L. McQuay at her funeral service Friday afternoon, March 19.

Helen, daughter of Mrs. Emma Johnson, 317 Third Street S. W., died Sunday, March 14, 1943, at the University hospital, Iowa City, following a brief illness.

In the Turner funeral chapel, where the services were held, her casket lay surrounded by huge banks of flowers, tangible evidence of the deep love and admiration Helen's friends and family bore for her. Many of her classmates attended the services and six girls served as honorary pallbearers. They were Violet Woodworth, Dorothy Peterson, Anna Thomsen, Nadine McManes, Mary Kluber, and Charlotte Zobin.

Helen entered Roosevelt in 1936 following her primary schooling at Taylor. She advanced with her class to 12A where she was active in school life. She was a member of Kappa Kappa Rho and Hi-Y-Ette. Daily, Helen concentrated on the school Red Cross work while previously she aided in completion of the service flag.

Throughout her life, "Johnnie," as her friends called her, was always dependable and found where she was most needed. As Rev. McQuay commented, "You always knew where to find her as she was always on the right side of every proposition."

### FOOTBALL SQUAD

First row—Bob Carpenter, Doug Shaheen, Bob Kime, Bob Beem, Tom Phelps, Bill Taylor, John Sebern.

Second row—Mr. Cooper, Manager Art Smith, Dick Lewis, Don Washburn, Leland Dankert, Tom Wingfield, Leo Martin, Tom Gallagher, Warren Johnson, Glen Athey, Manager Chuck Kemme, Coach Wolfe.

Third row—Bruce Claffin, Jim Cury, Jack Carney, Dick Harrington, Kenneth Marsh, Don Gray, Bill Kollman, Kenneth Cooper.

## FOOTBALL

Prospects for an above average year seemed bright as the 1942 season got under way with six lettermen returning from the 1941 squad. They were John Sebern, Bob Carpenter, Bob Kime, Bob Beem, Dick Lewis, and Tom Gallagher. The win-loss column for the season, however, showed two wins, a tie, and five losses, almost identical with the '41 record of two wins, a tie, and four losses. Although they were short on victories, the Teds weren't short on competitive spirit, never losing by more than one touchdown all season long, and never failing to provide the toughest kind of opposition.

Bob Beem (captain)\*, Jack Carney\*, Bob Carpenter\*, Lee Dankert, Tom Gallagher, Warren Johnson\*, Bob Kime\*, Dick Lewis\*, Kenneth Marsh\*, Leo Martin, Tom Phelps\*, John Sebern\*, Doug Shaheen, Bill Taylor\*, Don Washburn\*, and Tom Wingfield, were those athletes receiving varsity awards.

## BASKETBALL — 1942 - 1943

Roosevelt's basketball squad had a below par season and to top that, five seniors graduated at mid-year. The Riders posted just three victories for the entire season, but salvaged that record by reaching the finals of the sectional tournament before losing to I. C.'s Greyhounds. The Teds placed last in city competition but had a large share in determining the standings, as indicated by their city record. Some improvement after graduation was made, even though three first stringers graduated at mid-year.

The purpose of G. A. A. is to create in its members an interest in health-building activities such as, ping pong, badminton, basketball, baseball, etc. This year, they have entered upon a program of calisthenics, which will be found very useful for the coming years.

The G. A. A. spends a weekend at the Palisades and participates in city and state get-togethers with other high schools called "Play Days" during the year. They also hold numerous parties, including a picnic with the "R" Club.

## RECORD STAFF

An integral part of Roosevelt's activities, the Record has kept its readers well informed and entertained on all activities related to the school.

Two important projects were conceived and carried out by the Record during the school year. The paper served as sponsor of the membership drive for the Junior Red Cross last fall and handled most of the details connected with this campaign. The second project consisted of a plan whereby collections were taken in the senior high homerooms for the purpose of mailing Records to Rooseveltians in service all over the world.

There were also some personal achievements not to be overlooked among members of the staff. Dayton McMillan and Maxine Smith each received honorable mention in their divisions in a Quill and Scroll district contest. Quill and Scroll is the international honorary society for high school journalists and staff members are given membership in it for excellence in journalism. Dorothee Hillmer and Warren Johnson were inducted for the first semester and a larger number of journalists will receive recognition the second semester.

Mr. Donald E. Brown is the editorial advisor with Mr. Mau supervising the printshop.

## CIVIL SERVICE CLUB

The Civil Service Opportunities Club was organized in the fall semester of 1942. The purpose of the club is to study the opportunities offered in Civil Service, and to learn what qualifications are necessary to fill such positions; to obtain a knowledge of application forms and the procedure used in handling them; to build character through the ideals and practice of honesty in business transactions. Mrs. Post is the club's sponsor.

Hi-Y's various activities include the sending of delegates to the National Hi-Y Congress, Coe Vesper Services, promotion of Relief, U. S. O. and Red Cross donations. Hi-Y's also volunteered for the scrap drive and the purchase of Christmas baskets.

Originally founded in 1887, Hi-Y is one of the oldest international boys' clubs in existence. The club's sponsors are Mr. Fred Shoemaker of the Y. M. C. A., and Mr. Howard Benninghoff.

## "R" CLUB

"R" club is the boys' athletic club and its purpose is to create and maintain interest in school athletics and to render service to the school and community.

Eligibility is acquired when an athlete receives a major C. R. letter, and a formal initiation is held at the beginning of each semester.

Every year the "R" club presents the Glen Williams Memorial Award to the graduate who best meets the standards that were exemplified by Glen Williams, in leadership, scholarship, and service.

The club is now under the sponsorship of Coach Clarence Paulson and was originally founded in 1935.

Club members serve as ushers at athletic events during the year and in the spring the "R" club and G. A. A. combine for their annual picnic at Ellis Park.

## ARISTOTELIAN CHAPTER

Scholarship, leadership, character and service are the qualifications which mark the members of the Aristotelian chapter of the National Honor Society.

First chartered at Grant High School, Aristotelian was split between Roosevelt and Wilson, when the present system of six year high schools went into effect, each school, of course, has its own particular club.

Each semester this recognition is given to a set percentage of the 11A, 12B, and 12A students, who are in the upper twenty-five per cent of their respective classes.

A formal induction tea, honoring the new members, is given each semester in Sagamore Hall, the parents of the inductees being invited. Each June, a picnic is held, to which any Aristotelian alumnus can come. Mr. Pattee, Mrs. Torstenson, Miss Walker, Mr. Pendergraft, and Miss Zika are the Roosevelt sponsors.

This club, which was organized December 1942, is under the sponsorship of Mr. Howard Benninghoff. Any student that has taken Chemistry or is taking it is qualified for membership. A chairman is appointed at each meeting and the two divisions, one for boys and one for girls, take turns in sponsoring experiments. The purpose of this activity is to make students scientifically minded.

## STUDENT COUNCIL

The Student Council consists of delegates elected by the members of each home room. This council helps in governing the student body.

This year the Student Council introduced the activity tickets to replace the usual stamp cards. The introduction of the activity ticket saved much needed time for studying, that was otherwise used for the selling of the various stamps.

The Student Council also conducts a Pep Parade. This year they originated the Honor Flag, which has a blue star for each one of the Roosevelt graduates who are serving the country. They place gold stars, where the boy has died in action.

Mr. Kluss is faculty advisor for this council.

## PEP CLUB

Miss Ruth Zieke is the advisor of the year old Pep Club. The purpose of this club is to keep up the spirits at different athletic games, by keeping up the yells.

The Pep Club has a designated section to sit at in the bleachers. They also started to march this year with the band.

The girls work out new yells and new marching formations at their meetings. For their yells, they use place cards which add much color and enthusiasm to the games.

## GAMMA DELTA

Gamma Delta is the school's dramatic club. It endeavors to create an intelligent and worthwhile interest in the standards of dramatics.

This club was first organized at Grant High School on November 9, 1920 and is today one of the oldest clubs in the school. An accumulation of three points, either by working on casts or crews, is necessary for membership. Persons obtaining fifteen or more points, through their high school careers, are presented a Gamma Delta award in their senior year.

The dramatic club sponsors assembly programs, the annual Gamma Delta plays, parties, and a spring formal banquet.

The club is sponsored by Mrs. Roberta Dinwiddie Sheets.

Kappa Kappa Rho, or Commercial Club, was organized in 1935. Its purpose is to study business interests and problems, bring about a fellowship among commercial students, and to broaden the pupil's outlook on business life.

Men and women engaged in business are guest speakers, and members of the club visit business offices to interview employers and employees and to report their findings when the club meets.

Initiation is held each semester and one other party is given during that period. Sponsor of the club is Miss Jeanette Williams.
