6. New Business
 - a. Stack Nutrition - Brent Stepanek came in to discuss possibilities of having a smoothie truck at Kingston events. All Jefferson grad owners and want to give back to Jefferson. They already have opportunities lined up with Prairie and Kennedy booster clubs through different events in house
 - i. Would provide a healthy option and would provide kickback to booster club just as all other food trucks that are at events
 - ii. Would start smaller, offering their top eight smoothies. No food at this time.
 - iii. Still waiting on approval from city
 - iv. Vote taken by board to allow; Motion BJ, unanimous yes from board
 - b. Sara Young Popcorn discussion - Historically, JABC donated material for staff; do we do it again?
 - i. Motion TB, Second SW
 - ii. 6 bottles of Oil; 6 cases of Seeds; 4 boxes of Seasoning
 - c. Band food for certain dates ****proposed by SW, second by TB for the following three dates** to provide assistance to band with feeding their members

- i. Friday, Sept 19: Apples and Granola bars for 110 people (with a nut-allergy alternative of the granola bars)
 - ii. Thursday, Sept 25: 30 Pizzas ordered specifically for the band, to be delivered during/immediately after half-time.
 - iii. Friday, Oct 10: Pizza order for our "Future Band of Blue" event with 8th grade students (Amount TBD)
 - iv. Saturday, Oct 5-email from Jefferson band director to ask about food for judges. Can we use the \$9 coupons from other events? Band would be billed for ½ for the 6 judges in attendance
 - d. Band event 10/5 concerns with opening stand 3 for visiting bands. RM will open and TB can close. RM wants his own volunteers. Funding from this stand will only go to JABC along with food truck funding. Concession stand funds will go to band as well.
 - i. Concerns also there for the extra food needed for concession stands. Do we have enough space? We could use the baseball stand possibly if needed.
 - e. Food delivery - No real consistency in timing thus causing some issues. Historically, AK would get notification; TB not getting notifications. Gets courtesy call from Tuesday driver when they leave Xavier to provide a heads up; Friday driver comes between 10-3 and not consistent. Is there any way to get that as everyone is working?
 - f. CC transition: Sam's Club order caused realization the mailing/billing address was former board members and needs to be changed to school per TB.
 - i. AJ and BJ noted still waiting on JABC cards
- 7. Adjournment: 7:51
