### President's Report

The Golf Outing had to be postponed due to rain and will now take place 8/19. There is room for more teams to play since we lost a few due to the date change. The silent auction raised about \$3000.

Sarah had a new retractable sign on display. The cost was \$265 (last month a max of \$500 was approved). The sign will be used to promote the Booster Club and has QR codes for Twitter and Facebook.

### AD Report

Aaron shared information about how the Girls Wrestling program will function in the first year.

A reminder that Bound is becoming the “one stop shop” for athletics. Registration is happening via Bound now as well as schedules and even a sponsorship program available for purchase through the app.

### New Business

A group discussed the mascot program. More to come.

Jeff Beer brought a \$150 check that was a result of the “Booster Club Challenge” he sponsored for Flano's restaurant (the old Vito's). Jeff encourages groups to use rooms at Flano's for meetings or other gatherings!
