

Senior Photo Submission Guidelines  
All Senior Portraits have a spot in the book  
**Deadline for Submission: Feb 15, 2024**

In order to be included in the Yearbook we must have your photo by **Feb 15, 2024**.

We recommend using a professional studio for your senior portraits, but a trained photographer with a good DSLR or newer Smart phone can capture great portraits as well.

If we don't receive a senior photo from you by the deadline, we will still try to include you in the yearbook by using your school photo if you've had one taken.

We also provide headshots for any student who needs one. Please email [Kennedyyearbook@crschools.us](mailto:Kennedyyearbook@crschools.us) to schedule an appointment.

Size requirements: If you are having a friend or family member take your senior photos, remember digital photos should be taken with a high quality digital camera and have the following specifications:

- 300 resolution (ppi/dpi) so shoot in Large Quality or RAW mode
- Portrait lay-out, 2:3 ratio of width to height
- JPG, PNG, Tiff, or HEIC file format only
- Photo should be of the upper body or head and shoulders only
- Full body photos may be cropped.

**Submission procedure:**

- Go to [Yearbookforever.com](https://yearbookforever.com) and type Kennedy into the School Name box and select Kennedy High School in Cedar Rapids.
- Scroll Down and Click the Yearbook Snap button
- Type in **cougars** for the access code.
- Click on Upload Photo and select the photo that you want to upload, and select **THIS Photo IS A PORTRAIT**. Please fill out all required fields.

We will evaluate the image file and alert you if it is not going to work. We will not be able to repair poorly-produced digital photos.

Remember, The best Senior Photos will be of the upper body or head/shoulders only.  
Full body photos will be cropped
