

2025-2026 Kennedy Student Parking

Safety is a priority at Kennedy. This is why we require registration of all student vehicles on our campus. Please read this document in its entirety. There are some new fees and policies that have been added/changed. In addition, we will be holding students accountable if parking expectations are not followed as the rules are clearly outlined in this document.

Requirements & Regulations

1. The student must have all previous parking violations paid before a parking tag will be issued.
2. A completed online Kennedy Parking Registration form is required for every vehicle parked on campus or in one of the church lots.
3. Parking permit stickers/tags must be placed on the outside of the back window in the upper passenger side.
4. Students must park in the lot designated by the permit sticker/tag on their car.
5. **Students must** park only in designated student areas in their assigned lot:
 - Kennedy Campus: spaces marked with yellow lines
 - Church Lots: spaces specified in the church parking contract
6. Students are allowed only 1 permit in only one lot at any given time. If a new sticker is needed during the year, the old sticker **MUST** be turned in before a new one is issued.
 - There is a \$15 fee for replacement stickers.
7. Parking permits are ***not*** transferable to other students or other vehicles. Students are liable for the parking tag/number that they are assigned.
8. Students that need to drive a different vehicle due to a temporary situation need to stop by the Bookkeeper's Office the day the student starts driving the temporary vehicle so a temporary hang tag can be issued. Students will be responsible for any tickets that are issued on a vehicle without a temporary hang tag.

Consequences for Parking Violations

School personnel have the right to issue consequences to vehicle owners who are not following expectations while parked in school lots and designated church spaces. In addition, the churches have the right to be more stringent with their rules and/or enforcement since the church lots are private property, not school grounds.

1. Parking ticket which is **\$20.00 per violation**.
2. Immediate revocation of the parking sticker and/or permanent loss of parking privileges.
3. Vehicle being towed at the owner's expense.
4. Tire boot placed on the vehicle until the owner has paid all tickets and/or rectified the issued consequence.

Examples of Parking Violations

1. If a vehicle does not have a valid permit for that specific lot where the vehicle is parked
2. If the car is parked anywhere other than a student space with yellow lines – e.g. fire lane, loading area, staff area, designated disabled space.
3. Multiple unpaid parking violations
4. Missing KHS registration and/or parking sticker
5. A parking sticker that is not clearly visible
6. Reckless driving
7. Parking in the Horseshoe or designated staff areas
8. Parking in fire lanes or other areas that can create a safety issue

Online Kennedy Parking Registration

Students must use their school email address to register. Parking lot assignments will be based on the order in which a student registers online. Once registration is complete for each grade AND prior to Sticker Pick Up Day, a message will be sent to the student's school email for those that registered for the North Lot and Church Lots. Regardless of whether you are registering for a church lot or a Kennedy lot (North or South) you may not register before the time assigned to your grade AND must register using the link for your grade (this year links are different for each grade). If you have questions, please look through this document first. If you can't resolve the issue, email kennparking@crschools.us.
