

Jennifer, Senior, After HS: Marketing

Meet Jennifer. Jennifer is a Cedar Rapids native and joined City View as a 9th grader. Jennifer and her parents felt her outgoing personality and drive would be leveraged in positive ways at a school like City View. Throughout her City View career, Jennifer has been able to engage in AP coursework, experience several internships, and remain an active member of her show choir back at the high school near her home.

Below is Jennifer’s last semester schedule prior to graduation.
