

Jennifer, Senior, After HS: Marketing

Meet Maria. Maria is a sophomore who joined City View this year after a successful year at her home high school. Maria felt ready for a change and, as a more mature young person, wanted to learn with older students and adults. Maria is strong academically and remains very active in show choir, theater, swimming, and tutoring freshmen in Spanish. She enjoys the variety of electives and course offerings at City View and can match them to things and topics she's interested in.

Below is Maria's first semester schedule.

Maria's 1st Semester 10th Grade Schedule

Monday	Tuesday	Wednesday	Thursday	Friday
Community	Community	Community	Community	Spanish tutoring back at home HS
