CITY VIEW AWARDS & HONORS

At City View, we intentionally celebrate the effort, growth, and achievements of our students across academics, community engagement, internships, and self-directed learning. Beginning in 9th grade, students can work toward a variety of honors and distinctions that reflect their commitment to the full City View experience. Many of these recognitions—such as graduation cords, medallions, and special awards—are presented during Senior Awards and other end-of-year celebrations. Students are encouraged to wear the cords, stoles, and medallions they have earned at graduation as a reflection of their hard work and the pathways they have pursued.
