A WELCOME MESSAGE FROM OUR PRINCIPAL

Hello Warrior Families!

We are so excited for this 20-21 school year. Washington High School is a place that strives to honor our vision of Empowering Learners and we believe that all stakeholders are learners- parents, students, and staff. Washington has a place for all students to realize and explore their potential in academics, sports, fine arts, service, and numerous clubs and activities.

It doesn't stop there. We believe what makes Washington truly special are the people. We embrace our multifaceted diversity at Washington and believe it gives a one-of-a-kind experience. The personalities of our staff and students are the stars at Washington and it showcases in our classrooms, co-curriculars, and our student-led traditions.

We want every student to feel accepted and be involved both in and outside of the classroom. We want every student to feel like they have learned their potential and are empowered to reach it. We want students to see our building as a fun, safe, and orderly place that they have a voice in shaping it. We want every student to feel like any barriers and impediments that derail their success will be removed. We at Washington are your ally and we thank you for going on this journey this year with us.

Go Warriors!

Darius Ballard
Principal

BEHAVIOR EXPECTATIONS

Discipline and Restorative Practices

Washington High School has invested a significant amount of time ensuring that we share a common language and vision for what it means to be a Washington Warrior in the classroom, hallways, during lunch, and at school-related events. Restorative practices involves an approach to discipline that includes formal and informal processes for addressing behaviors in a participatory way that emphasizes repairing the harm done and restoring relationships with others.

What is Warrior PRIDE?

WHS Staff determined what we consider to be universal qualities for success – both within Washington High School and in the world in general. The result is #cWrPRIDE and it stands for:

PREPAREDNESS
RESPONSIBILITY
INTEGRITY
DEDICATION
ETIQUETTE

This is what it means to be a Washington Warrior.

We know that many students already demonstrate these characteristics every day. We aim to encourage behaviors that help ALL of our students embody these traits for success so that we have a school culture that encourages learning, warmth, and safety for all. Look for the hashtag #cWrPRIDE on Twitter and Instagram to see our students demonstrating their Warrior PRIDE daily.

Behavior at Co-Curricular Events at WHS, Kingston Stadium & Other High Schools

- **Students must have their school ID to enter any co-curricular as a spectator.**
- Students who violate any school rules at co-curricular events may be removed from the event and excluded from attending such events for extensive periods including the entire year. The student will also be subject to other disciplinary action.
- All students attending the game must be in the stadium seating area. The only exceptions will be students who are clearly walking to restrooms or concession stands.
- Students must remain on the side of the stadium they entered; crossing to other side is prohibited.
- Non-Washington students (Elem, Mid, HS) should have a school ID and be accompanied by an adult on premises for the entirety of the event.

Anti-Loitering Rule

At Washington High School events (Kingston, WHS, offsite venues), loitering is strictly prohibited and enforced. Students must pay for admission. Non-paying students will be considered loitering and asked to leave immediately. Once admitted, students must leave within 30 minutes of the event's conclusion. Students who have not vacated the premises by that time will be in violation of the anti-loitering rule and may be excluded from attending events for extensive periods including the entire year.

Classroom Expectations

- Be on time and bring necessary materials to class
- Follow the norms of the classroom
- Maintain school-appropriate interactions (language, tone, volume, actions)
- Be an active listener
- Respect property (both others' and your own)
- Celebrate successes (both others' and your own)
- Keep trying even when it is difficult (show grit)
- Ask permission to leave the classroom

#cWrPRIDE

Hallway/Foyer Expectations

- Walk on the right side, stand out of the way
- Follow your schedule; arrive to class on time
- Maintain school-appropriate interactions (language, tone, volume, actions)
- Keep our environment clean
- Leave the building promptly after your last class

#cWrPRIDE

Warrior Café Expectations

- Know what you want so you can go through the line quickly
- Clean up after yourself
- Treat Warrior Café property and food with respect
- Use manners and treat others kindly
- Report unsafe conditions

#cWrPRIDE

STUDENT CONDUCT POLICIES AND PROCEDURES

Student Expressions and Appearance (CRCS Regulation 603.1)

Students will be allowed to express their viewpoints and opinions as long as the expression is responsible. The expression will not, in the judgment of the administration, encourage the breaking of laws, defame others, be obscene or indecent, or cause a material and substantial disruption to the educational program. Further, the expression must be done in a reasonable time, place, and manner that is not disruptive to the orderly and efficient operation of the school district. Students shall be permitted to distribute materials in designated areas before and after school and during the lunch period, as long as it does not create a disturbance, disrupt normal operations, or produce excess littering, and the material content does not violate reasonable standards of decency or advocate the violation of laws. Assemblages of students shall be allowed unless they are designed or may be reasonably expected to disrupt classes, interfere with school activities, or intrude upon the lives and right of others. Materials concerning non-school events or activities shall be posted only with prior approval of the building principal.

The District believes inappropriate student appearance causes material and substantial disruption to the school environment or presents a threat to the health and safety of students, employees and visitors. Students are expected to adhere to standards of cleanliness and dress that are compatible with the requirements of a good learning environment. The standards will be those generally acceptable to the community as appropriate in a school setting. The District expects students to be clean and well-groomed and wear clothes in good repair and appropriate for the time, place, and occasion. Clothing or other apparel promoting products illegal for use by minors and clothing displaying obscene material, profanity, or reference to prohibited conduct are disallowed. While the primary responsibility for appearance lies with the students and their parents, appearance disruptive to the education program will not be tolerated. When, in the judgment of a principal, a student's appearance or mode of dress disrupts the educational process or constitutes a threat to health or safety, the student may be required to make modifications or be subject to disciplinary action. The wearing of gang-related attire or insignia by students shall be prohibited.

Our staff is **ALL- IN** to ensure success for all students. #cWrPRIDE is aiming to help students be **ALL- IN** too.

T-Shirts and Other Garments

All T-shirts and other garments printed by WHS student groups or organizations and sold or given to WHS students must have the advance approval of the WHS administration.

Student Conduct

WHS insists upon a positive campus atmosphere. The following disrupt that atmosphere and are prohibited. WHS will not tolerate disrespect to staff members or students. Every student has the right to a safe learning environment. The following are clear disciplinary actions that may include suspension and/or alternative placement/expulsion and potential legal consequences:

- Communicating Threats (to staff or students).
- Assault (staff or student).
- Possession of a weapon or an object that appears to be a weapon.
- Aggressive behavior (verbal or physical). **Students must contact a staff member if a conflict exists between students.**
- Open or persistent defiance of authority and/or school rules and regulations.
- Failure to abide by corrective measures, such as detention, for previous acts of misconduct.
- Bringing friends or relatives to campus to intimidate students or staff is strictly forbidden.
- Unsafe or disruptive driving on or near the campus.
- Elopement or Vandalism/ Damage of school or others' property.
- Out of Bounds – failure to be in assigned location/occupying restricted areas of the campus.
- Disrupting classes or school activities.
- Any use of skateboards, bicycles, mopeds, motorcycles, automobiles, or trucks other than for transportation to and from campus. Skateboards may not be ridden on campus at any time.
- Use of profanity on campus or at school events.
- Possession/Distribution of Pornographic, Profane and/or Violent Material this includes but is not limited to pictures, magazines, electronic text or images and sexually explicit or graphically violent materials (including but not limited to documents or instructions concerning the creation of and/or the use of weapons).
- Counterfeit Currency.
- False Alarm/ Bomb Threat.
- Theft.
- Gambling or behavior that simulate gambling.
- Extortion.
- Sexual Behavior.
- Robbery.

WHS teachers all develop their own classroom rules and procedures, and administration supports those decisions. For example, individual teachers will explain their rules regarding bringing food and beverages to class.

Violations may result in a loss of privileges as well as other disciplinary or legal action. When accused of violating any of the rules in this "Behavior" section, students will be given due process before penalties are imposed. See Board of Education Regulation 604.1 and 604.3 for more information.

Use/Possession of Alcohol, Tobacco, Nicotine, or Any Controlled Substance (CRCS Regulation 604.10)

The possession or use of tobacco/vaping, alcohol, other controlled substances, materials that are purported to be controlled substances, or drug paraphernalia on our campus or at any school-sponsored event at any location will result in suspension, possible alternative placement/expulsion and potential legal consequences. This includes consumption, or suspicion thereof, of a controlled substance prior to attending. Parents will be contacted, and the police may be contacted. Please understand that our goal is to provide a substance-free school environment, and we will take all necessary steps to ensure that we meet that goal. If your child has prescription or OTC medication, it must be turned in to the nurse's office and administered there.

Hazing Prohibited Hazing is prohibited by the Code of Iowa, Section 708.1.

WHS prohibits any activity expected of someone joining a group that humiliates, degrades, abuses, or endangers, regardless of the person's willingness to participate. This includes but is not limited to activities like being yelled at, swore at, forced to wear embarrassing clothing, taking cold showers, participating in forced physical activity, etc. It does not include activities such as rookies carrying the team balls, team parties with community games, or going out with your teammates, unless an atmosphere of humiliation, degradation, abuse, or danger arises.

Bullying and Harassment of Students

The Cedar Rapids Community School District prohibits harassment, bullying, hazing, or any other victimization of students, based on any of the following: actual or perceived traits or characteristics, including but not limited to, age, color, creed, national origin, race, religion, marital status, sex, sexual orientation, gender identity, physical attributes, physical or mental ability or disability, ancestry, political party preference, political belief, socioeconomic status, or familial status. The District considers harassment and bullying to be any electronic, written, verbal, or physical act or conduct toward a student which is based on any real or actual perceived trait or characteristic of the student and which creates an objectively hostile school environment that meets one or more of the following conditions:

- Places the student in reasonable fear of harm to his/her person or property;
- Has a substantially detrimental effect on the student's physical or mental health;
- Has the effect of substantially interfering with the student's academic performance;
- Has the effect of substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by a school.

"Electronic" includes but is not limited to communication via electronic mail, internet-based communications, pager service, cell phones, electronic text messaging, or similar technologies.

A hostile school environment is defined as a situation in which the bullying/harassment conduct is sufficiently severe, pervasive, or persistent so as to interfere with or limit a student's ability to participate in or benefit from the services, activities, or opportunities offered by a school.

Harassment and bullying may include, but are not limited to, the following behaviors and circumstances:

- Verbal, nonverbal, physical or written harassment, bullying, hazing, or other victimization that have the purpose or effect of causing injury, discomfort, fear, or suffering to the victim;
- Repeated remarks of a demeaning nature that have the purpose or effect of causing injury, discomfort, fear, or suffering to the victim;
- Implied or explicit threats concerning one's grades, achievements, property, etc. that have the purpose or effect of causing injury, discomfort, fear, or suffering to the victim;
- Demeaning jokes, stories, or activities directed at the student that have the purpose or effect of causing injury, discomfort, fear, or suffering to the victim; and/or
- Unreasonable interference with a student's performance or creating of an intimidating, offensive, or hostile learning environment. Sexual harassment means unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when:
- Submission to the conduct is made either implicitly or explicitly a term or condition of the student's education or benefits;
- Submission to or rejection of the conduct by a school employee is used as the basis for academic decisions affecting that student; or
- The conduct has the purpose or effect of substantially interfering with the student's academic performance by creating an intimidating, hostile, or offensive education environment.

A student (or adult on the student's behalf) who believes he/she has suffered harassment should report such matters to certified staff/counselors/ administrators and/or the Executive Director of Equity.

Retaliation against a student because the student has filed a harassment complaint or assisted or participated in a harassment investigation or proceeding is also prohibited. The CRCS's policy on bullying and harassment can be found on the district website – Policy 612 and Regulation 612.1.

Conflict Resolution Form

From time to time, students become involved in conflicts with other students, often friends or former friends. Such conflicts may not rise to the level of bullying because there is not a pattern of such behavior over a period of time, and there is not an imbalance of power between the individuals involved. Administrators are eager to help resolve such conflicts, and a form is available for students to use in reporting these conflict situations. Bullying/harassment forms and conflict resolution forms are available in the Main Office, Counseling Office, and the Clinic.

Electronic Devices

Students are prohibited from using cellular phones/PTDs during classes unless directed by the teacher. The device must be turned off and out of sight during class time. The school is not responsible (monetary value or replacement) for theft, loss, or damage to cell phones/PTDs or other electronic devices brought onto WHS property.

Fire Code of Iowa

No person shall give a false alarm of fire, by setting fire to any combustible material, or by crying or sounding an alarm, or by setting off fireworks or smoke bomb, or by any other means. Anyone violating this law is guilty of a misdemeanor and may be punished by a fine or by imprisonment in the county jail. The school will also provide consequences for such an act. Periodic fire and tornado drills will be conducted in accordance with state law. Teachers indicate the evacuation routes for their classrooms, and students should move quietly out of and away from the building to designated areas.

Campus Restrictions Lunch

Freshman and sophomores have closed lunch. Closed lunch means that students must stay in approved areas (cafeteria, hallways immediately adjacent to the cafeteria, and the courtyard). **Other areas, such as parking lots, athletic fields, and academic hallways, are unauthorized.** Juniors (who have turned in a parent signed permission card) and seniors have open lunch. Open Lunch means that students may leave the campus during their assigned lunch period. They must leave at the start of the lunch period rather than anytime. If students with open lunch choose to remain on campus, however, they must remain in the approved areas. Upperclassmen with open lunch privileges may not transport any underclassmen. This can lead to disciplinary action (parking permit or open campus options revoked).

Study Hall

Any student who would like to drop their 1st and/or last hour study hall may do so by completing the blue permission card included in summer mailing. If study hall is on your schedule, you must attend it and treat it like an academic class.

Search and Seizure

The only staff members with authority to conduct searches and/or seize items are employees who are certified administrators and School Resource Officers (SRO), unless there is an emergency. In emergencies, such as situations in which the health or safety of a student or employee is compromised, another school official may conduct a search and/or seize items. Refusal of search will be treated as admission of guilt.

Lockers/Desks

(1) Lockers and desks remain at all times the property of the school district. (2) The school district has a reasonable and valid interest in ensuring the lockers and desks are properly maintained. For this reason, lockers and desks are subject to unannounced inspections and students have no legitimate expectations of privacy in the locker or desk. (3) Periodic inspections of all or a random selection of lockers or desks may be conducted by school officials in the presence of the student or another individual. (4) Contraband discovered during the maintenance search shall be confiscated by the administration and the student may be disciplined. Items of contraband include, but are not limited to: nonprescription medications; controlled substances such as marijuana, cocaine, amphetamines, and barbiturates; apparatus used for the administration of controlled substances; tobacco; alcoholic beverages; weapons; explosives; poisons; and stolen property. An administrator having a reasonable and articulable suspicion that the locker contains illegal or contraband items may conduct a search of that locker.

Personal Searches

A student's person and/or personal effects (e.g., purse, book bag, cell phone or other electronic device etc, or other container used for carrying personal items) may be searched when the administrator has reasonable and articulable suspicion that the student is in possession of illegal or contraband items, or items which are not permitted in the schools. Personally intrusive searches shall require more compelling circumstances to be considered reasonable. When feasible, the administrator shall attempt to notify the parent/guardian of the impending search.

Vehicle Searches

Students are permitted to park on school premises as a matter of privilege, not of right. Designated school employees may conduct routine patrols of the student parking lots. The interior of a student's vehicle, when on school premises, may be searched if there is a reasonable suspicion to believe that illegal, unauthorized or contraband items are contained inside. The student driver or another individual shall be present whenever practicable during the search.

Searches by Law Enforcement Officers.

The search of a student or of protected student areas by a law enforcement officer or by an administrator at the invitation or direction of such an officer shall be governed by statutory and common law requirements for police searches (including searches by dogs.) (See Code of Iowa: Chapter 808a.10 CRCSD Regulation 603.2 for more details.)

NON-DISCRIMINATION POLICY

It is the policy of the Cedar Rapids Community School District not to illegally discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (employment only), marital status, sexual orientation, gender identity, and socioeconomic status (students/program only) in its educational programs and its employment practices. This is a grievance procedure for processing complaints of discrimination. District employees with questions or a grievance related to this policy should contact Linda Noggle, Executive Director of Talent Management at lnoggle@cr.k12.ia.us or 319-558-2000. Students and others should contact the Executive Director of Equity/Title IX Coordinator/504 Compliance Officer 319-558-2000. The District mailing address is 2500 Edgewood Rd NW, Cedar Rapids, IA 52405-1015.

STUDENT/PARENT COMPLAINT PROCEDURE

The purpose of this procedure is to provide a means for student(s)/parent(s) to present a complaint regarding conditions based upon discrimination described by relevant State and Federal statutes and executive orders. In order to better assure the effectiveness of the procedure, all complaints will be processed without delay. A complaint shall be presented to the teacher involved. If the complaint is not satisfactorily resolved at this level, or if there is no teacher involved, the complaint may be appealed or presented to the appropriate associate principal, and if still not satisfactorily resolved, to the building principal. If the complaint is not satisfactorily disposed of by an appeal to the principal, the complainant may request a meeting with the Executive Director of Equity/Title IX Coordinator/504 Compliance Officer at 319-558-2000. The District mailing address is 2500 Edgewood Rd NW, Cedar Rapids, IA 52405-1015.

ATTENDANCE POLICIES AND PROCEDURES

We emphasize that attendance is extremely important. We know that students who attend school regularly perform better in their classes and earn higher grades than students whose attendance patterns are more sporadic.

WHS Attendance Policy:

1. All student absences must be excused within 48 hours of the absence via a telephone call (notes not accepted) from a parent or guardian. Our attendance number is 558-2498. Washington High School does not accept notes excusing absences. Also, if you are calling to excuse your student for an appointment, **please call at least one hour before the student dismissal time so he/she can be ready.**
2. Absences will be excused for the following reasons: 1. illness 2. professional appointments 3. bereavement 4. religious observance 5. court summons 6. pre-arranged family activity
3. Any absence from school for reasons other than those listed above will be designated as an unexcused absence.
4. Through a telephone call or an e-mail notice, the attendance office personnel will attempt to notify parents or guardians of an unexcused absence.
5. Accumulated absences from a course and/or a school day may result in either a mandatory plan or contract for the student to remain on-track in the given courses.
6. Students already at school may not be excused from class by their parents.
Example: A student may not skip a class to work on homework, even if that student is at school. That practice results in an unexcused absence.

WHS Tardy Policy:

1. Students must be through the door of the classroom when the tone sounds. Students who are not in their assigned classroom will be marked tardy. Students arriving after the bell will be marked tardy. Students arriving 10 or more minutes late will be marked unexcused absence and may be considered skipping and thus subject to disciplinary action.
2. Generally, teachers handle tardiness according to their individual classroom rules. The administration supports those classroom rules.
3. For students who are chronically tardy (5 or more tardies) in a class, the student may be placed on a contract to assist the student in their courses and coursework.

Junior and Senior Release

Both Juniors and Seniors may leave campus during periods when they do not have classes scheduled. Should they choose not to leave campus, they must report to study hall, the IMC, or apply to become a TA in a classroom. Students returning to campus may be asked to wait at entrances until a class period ends. The purpose of that restriction is to maintain quiet halls when classes are in session. Parents who prefer that their seniors not be allowed to leave campus during open periods or lunch should make their request in writing and submit it to an administrator. Such students will be assigned to study halls during open periods

PARKING POLICIES AND PROCEDURES

The South (Jock) Lot is the "Red Lot" to signify preferred parking. Our preferred red lot has an assigned number of passing hangers that grant exclusive parking privileges during the school day. The North Lot (adjacent to Fine Arts) is the "Blue Lot." Students who do not qualify for the red lot will receive a blue lot parking hanger, which is good for this lot only. However, if a student needs to park in the red lot for 0 period performance PE or for before/after school sports practices, he/she may do so without having a designated parking hanger as long as he/she leaves the lot by 7:45 am OR doesn't park in the red lot until school dismisses at 3 pm and parks in an appropriate spot in the blue lot during the school day.

Preferred Parking Eligibility

Preferred parking is designated based on need and quantity. This opportunity is based on the following criteria:

1. Students involved in off-campus learning a. Iowa Big b. Kirkwood Learning Academy c. Student Tutoring
2. Seniors with a 3.5 or higher
3. Juniors with a 3.5 or higher
4. All other Seniors

If you are not eligible for the red lot, you receive a parking hanger to park in the much larger blue lot.

Parking Costs

There is a slight cost difference between the two lots. The Red Lot parking pass costs \$15, while the Blue Lot parking pass costs \$10.

Parking Infractions

Students have a grace period the first two weeks of classes. Consult the small parking hanger signature card for specifics.

In addition, students who continue to park illegally in the Red Lot—which includes, but is not limited to, parking in a non-designated parking space, parking in a through way, parking in more than one spot, and/or failing to display or failing to properly display to the appropriate parking hanger—will receive a similar grace period, two (2) parking violation tickets of warning before his/her Red Lot parking privileges are revoked.

Students may have their on-campus parking privileges revoked for a number of reasons. This includes, but is not limited to:

- Inappropriately driving throughout the parking lot
- Excessive speed in the parking lot
- Hitting and leaving the scene without notifying the school administration or School Resource Officer (SRO)
- Leaving campus during the school day for the purpose of going to another area school for non-official reasons
- As a response to other related school discipline issues

STUDENT SERVICES

PTA Sponsored Warrior Closet

The Washington PTA sponsors the Warrior Closet which provides free access to school supplies, clothing, shoes, food, and personal item to students in need. During Homecoming and Prom, the Warrior Closet provides access to dresses, suits, and tuxes for students to select for those upcoming events. Ms. Amy Rouse is the project coordinator; students should contact her in room 112 for any assistance.

Substance Abuse and Prevention Effort

Parents who have concerns about possible drug use by their students should contact their student's school counselor or an administrator as soon as possible. A substance abuse counselor from the Area Substance Abuse Council (ASAC) is available at WHS two days each week.

Managing Student Illness during the School Day

Students are sent to the clinic if they are injured or appear ill. An attempt will be made to understand the student's complaint. This may include asking the student some questions about how he/she feels, taking a temperature, making observations, talking to the teacher, and contacting the school nurse. If a student has a temperature of 100° F. or higher, the parent/guardian will be called and the student will be sent home. Temperature is not the only symptom that influences the decision to send the student home; general appearance and functioning are important factors. After a period of observation a decision will be made to do one of the following: 1.) Call the parent/guardian; 2.) Allow the student to rest in the health office for a brief period. The student is to be fever free without fever reducing medication before returning to school. Parents will also be notified of injuries, which appear to require medical attention.

Automated External Defibrillator, AED

AEDs (Automated External Defibrillators) are located in the Performing Arts Area, The Main Gym, and in the Washington clinic in case of emergency. Washington has a team of staff trained in CPR and AED.

Physical Education

Students may be excused from physical education classes for medical reasons only on the request of a doctor. A special form is available in the Health Clinic.

Mental Health Services

Parents who want or feel their student is in need of mental health services should contact their student's counselor. Three days a week, Washington High School has a Licensed Clinical Therapist (LMHC-t) from Tanager Place available to provide mental health therapy to students. Parents will need to complete health insurance information and a consent to treatment prior to their student meeting with the therapist. The therapist assigned to Washington High School is Larry Johnson.

See Your Counselor

- Drop-ins are welcome.
- If your counselor is busy, rather than miss class, set up an appointment through the counseling secretary. She will give you a pass for the return visit.
- Be sure to sign in and out of the counseling office to avoid any misunderstanding concerning classroom attendance.

Counseling Assignments

Counselor assignments are organized across all grades by your student's last name. Your counselor assignments are as follows:

A-D	Larry Simons
E-J	Jennifer Byers
K-Q	Dean Blanchard
R-Z	Carla Wosoba

All questions regarding scheduling and counseling should be directed to the WHS counseling office at 558-2142.

Learning Supports (LS)

Students experiencing attendance problems and those falling behind in their classes will be discussed by our Learning Support Team (LST). The team consists of: Our Engagement Specialists, Davondrian Wright, Amy Rouse, Katterin Lewis, Jolene Buchheit, Maurice Blue (Attendance), Christina Wright (Special Education); our LS Facilitator, Gina Pins; our administrators; counselors; the school nurse, School Resource Officer (SRO) Officer Watts, or our therapist, Larry Johnson. Depending on the assessed needs of the student, the LST will assign a range of interventions to provide additional support to struggling students. The person or people assigned to a particular student will continue to carefully monitor their progress on a weekly basis.

Mentors in Violence Prevention (MVP)

Mentors in Violence Prevention program is designed to be a student-led program where students use a discussion-based format to ensure that Washington is an inclusive environment. The program uses scenarios to examine all potential outcomes. Interested MVP mentors should contact Gina Pins to apply to become mentors.

IJAG (Jobs for America's Graduates)

The mission of iJAG is to provide an individualized and comprehensive approach to graduating from high school and transitioning to postsecondary options or a career. This occurs both in and out of the classroom. The program provides community mentors, frequent exposure to job and college fairs, job shadows, speakers, and resume building skills (to mention a few), in order to assist students with developing their post-secondary goals. Alyssa Edler and Sarah Dollmeyer are the teachers.

PARENT SUPPORT OPPORTUNITIES

PTA - Washington's Academic Support Group

PTA invites all parents, guardians, and teachers to become involved at Washington. All are encouraged to attend PTA meetings. The daytime meetings are held at 9:00 am on the second Tuesday of each month.

Attending these meetings is the best way to stay informed about the school's issues and events. Mr. Ballard is always present, and open to discussion, concerns, and suggestions.

The Warrior ONE*FUND fund-raising program and your membership helps PTA provide the following academic support to Washington:

- Academic Letters and Numerals
- Iowa Assessment Awards
- Departmental Senior Awards
- ADAstra (National Honor Society) support
- Freshman Orientation
- Teacher Conference scheduling and meals
- Open House
- Welcoming foreign exchange students
- Art Showcase
- Post Prom party
- Grounds Beautification
- Special academic needs

Please be a part of Washington's Academic Support Group by joining PTA, attending meetings, and contributing to the Blue Chip Investments Program. Your donations are tax-deductible, and many employers will match your Blue Chip gift. Together we can encourage academic achievement for all our Washington students.

Parent / Teacher Conferences

Thursday, October 15 3:30 – 7:00 p.m.

Monday, October 19 3:30 – 7:00 p.m.

Thursday, October 22 3:30 – 7:00 p.m.

PTA Officers 2020 - 2021

Tanya Schneidermann, President

Paly Afridi, Vice President

Kelley Cole, Treasurer

Liesa Greco, Secretary

Washington Athletics Club (WAC)

The Washington Athletic Club has provided uninterrupted support for Warrior athletics since the school opened in 1957. The WAC contributed \$50,000 last year to fund all 22 athletic programs at WHS. Many volunteers work to raise those funds. The Athletic Club is invaluable to Wash sports programs!

WAC Officers 2020-2021

Ann Freeman, President

Nicky McGuire, Vice President

Stephanie Helle, Secretary

Kim McGinnis, Treasurer

Patrons of the Performing Arts (PPA)

Patrons of the Performing Arts (PPA) Patrons of the Performing Arts is a parental support group for band, choral groups, drama, orchestra, speech, and dance. Founded in 1982, PPA donated nearly \$90,000 last year to support the WHS fine arts program. Goals of PPA are to promote participation, raise funds, and provide volunteers to support student performers, administrators, and directors.

Warrior Walkthrough

An Opportunity to Connect You are invited to attend an Open House on Monday, September 14, 6:00 - 8:00 p.m. This annual event provides an opportunity for parents to visit classes, meet teachers, and learn about each class. Teachers will discuss course purposes content, activities, and expectations. We encourage all parents to attend and to participate in the educational process at WHS. This is also your opportunity to join PTA, Washington's Academic Support Group. We look forward to seeing you at Warrior Walkthrough.

KEEPING UP WITH THE LATEST INFORMATION

Navigate our Website: crwash.cr.k12.ia.us Here are a few tips to help you navigate the WHS website:

- Click on "Calendar" to see a complete school event schedule. Then click again on "Calendar" in the upper right corner to navigate between weeks and months.
- Click on "Quicklinks" to deposit lunch money or look up phone numbers.
- Find "Canvas" and "Infinite Campus" on the Home Page below the picture.
- Click on "Resources" for the most recent daily video announcements and "Our School" to navigate to "Counseling" for scholarship information or college entrance exam dates.
- For notification of schedule changes click on "Calendar" on the Home Page. Then click on "activity calendar" and then on "notify me." You will automatically receive email updates on schedule changes for the events that interest you.

We advise parents to utilize Canvas to find out their students' assignments and due dates and Infinite Campus to know your student's current grade.

CANVAS

Canvas Learning Management System has been implemented in all 6-12 schools. Canvas is a tool for parents and students to increase access to classroom information and communicate with teachers.

Canvas offers an integrated calendar that will allow you to see assignments and events for multiple courses (and multiple students) all in one place. Some teachers post worksheets and notes for students who have missed class so that they can stay up on their work.

In addition to seeing assignments posted by your middle and high school teachers, Canvas also has a unique notification system that allows each user to register preferred contact methods including email(s), Facebook, Twitter and others, so you can be contacted how and when you want for each aspect of the system.

You may also see class announcements, online assessments, online assignment turn-in, and more! For more information on accessing the system, visit www.cr.k12.ia.us and click on Canvas!

STUDENT CHROMEBOOKS

Parents/Students communicate questions and or issues about their chromebook through their teachers or directly to Mr. McWherter, emailing is preferred to cmcwherter@crschools.us

No student should be without a chromebook if issues are reported. Students are responsible for maintaining a 100% working Chromebook.

Lost or damaged Chromebook chargers/cases/repair fees are completed through Mr. McWherter.

Internet HotSpots are provided at the High School level through Sprint on a first come first serve approach, as supplies are limited. Washington Counselors, working with Mr. McWherter, will work with student guardians to determine need, sign ups, and distribution (1 per household).

Internet HotSpots are provided at the High School level through Sprint on a first come first serve approach, as supplies are limited. Washington Counselors, working with Mr. McWherter, will work with student guardians to determine need, sign ups, and distribution (1 per household).

ACADEMIC PLANNING

Each year students receive a booklet entitled “Academic Planning Guide.” That guide is given to students at the time that they are planning their schedules for the following year. It includes a great deal of information about our course choices, college entrance requirements, and academic recommendations to students. That information is not repeated in this handbook but can be requested at any time from our Counseling Office.

Here is a summary:

English Language Arts 4 years
Mathematics 3 years
Physical Education 4 years
Science 3 years
Social Studies 3 years

Grading Policy

We give grades with the following numerical values in all course except Advanced Placement, Concurrent Enrollment, Project Lead the Way (PLTW), and Kirkwood Academy classes:

A+	4.33	B+	3.33	C+	2.33	D+	1.33
A	4.00	B	3.00	C	2.00	D	1.00
A-	3.67	B-	2.67	C-	1.67	D-	0.67
				F	0.00		

A variety of opportunities are offered at Washington to students who wish to pursue college-level work. Some, like Advanced Placement (AP) courses require an examination with a passing score of 3 or above to receive college/university credit. Other opportunities don't require an AP-like exam, instead, successful completion and/or an end-of-course exam result in receiving community college credit.

Due to the rigorous nature of these courses, the following grading scale is used for these courses only:

A	5.00	B	4.00	C	3.00	D	2.00
A-	4.67	B-	3.67	C-	2.67	D-	1.67
B+	4.33	C+	3.33	D+	2.33	F	0.00

Second Grade Option

If a student repeats a course, the new grade will be recorded as the grade for the course and will be included in the computation of grade point average. The transcript will retain the course number and title from the first effort, but we will change the earliest grade to N.

Pass/Fail Option

Each year, any Washington student who has parent approval may choose one elective course to be graded on a satisfactory/unsatisfactory basis.

- Those courses count toward graduation but are not included in computing the grade point average. Courses taken to meet specific subject matter requirements, except for PE, may not be taken pass-fail. Further, courses taken to meet the subject matter requirements of the Honors Program may not be taken pass-fail. AP courses are not eligible for pass-fail.
- Driver Education may be taken pass/fail without it counting towards the one pass/fail per year.
- Students who plan to take a course for pass-fail must submit the appropriate form with parent and counselor signatures. Course expectations are the same as for graded students, and grades will be placed on all course work. An “S” will appear on the final grade report if the student passes the course; a “U” will indicate failure.
- The pass-fail form with parent, teacher and counselor signatures must be submitted to the Counseling Office within the first 21 days of the term. The request to drop the pass/fail option must also meet this deadline.

Special Procedure for Co-Curricular-Related Course Grades

Students with cumulative grade point averages above 4.0 may choose to take co-curricular-related courses as S/U. Examples include all music, student senate, newspaper, debate, and yearbook courses. This use is intended to prevent an A (or even an A+) in a co-curricular-related course from lowering a student's cumulative GPA. This use of the S/U option will not be counted towards the S/U limit of one course per year.

Minimum Load Requirements at Washington

- All freshmen and sophomores are required to enroll in seven classes each semester.
- Juniors will be required to enroll in at least five classes each semester (5 daily classes and P.E.).
- All seniors will be required to enroll in four classes each semester plus P.E.

Course Drop Procedures

1. All course drops are handled by the student's counselor and must be approved by the student's parent/guardian. During the first 15 school days of a term, a dropped course is removed completely from the student's transcript. Between the 15th day and the 7th week, students dropping a class will receive an 'N'. After the 8th week of the term, the following procedures apply:
2. Any course dropped at this time will appear on the permanent record as an "F" if the student withdrew failing, or an "N" if the grade in progress is passing.
3. The student must attend this class until the Course Termination Request Form is returned to and completed by the counselor.
4. The student will be rescheduled into a study hall except for seniors who do not have study halls.

Post-secondary Enrollment Options

Students in grades 9-12 who have exhausted the courses available in the District program of studies may take courses offered during the regular school year by the community colleges, private colleges, or state universities. Courses that are successfully completed may apply toward graduation requirements, and the District may pay up to \$250 of the cost of tuition per course. Students interested in participating in this program should contact their school counselor.

Academic Honesty Policy

1. Unless a teacher has made it clear that an assignment, project, or test is to be done as a group or in pairs, it is dishonest to allow another student to copy your work or to give someone the answers. This is commonly known as cheating.
2. If a teacher forbids the use of any source whether written or electronic, it is dishonest to use that source. This would include translation programs and calculators. This is cheating.
3. For written assignments, it is dishonest to submit a paper that has already been turned in for another class unless the teacher has given his or her permission. This is cheating.
4. When writing a paper, it is dishonest to use any written, spoken, or electronic source without giving credit to the authors. This would include paying for or downloading papers from the Internet. This is commonly known as plagiarism. Out of school student to student consultation or assistance from parents and/or tutors may be exempted from these considerations. Some accommodations or exceptions may be made for those students having an Individualized Educational Plan (IEP).

Consequences

There will be appropriate consequences applied for infractions of these rules. The sanctions may include any or all of the following: a lowered grade for the individual assignment or for the course itself, parental notification, and/or an office referral. Individual staff members or departments may choose additional consequences that correspond with the magnitude of the specific offense. This can potentially affect eligibility for academic organizations (ADASTRA, Academic Decathlon, Student Senate

2020 – 2021 STANDARDIZED TEST TAKING OPPORTUNITIES

Students who have not taken these examinations or who would like to re-take one or both of the exams should note the following dates. Here are the test dates and deadlines for the ACT:

Test Date	Registration Deadline	Late Fee Required
Sept. 12, 2020	Aug. 14, 2020	Aug 15 - Aug 28
Oct. 24, 20	Sept. 18, 2020	Sept 19 - Oct 28
Dec. 12, 2020	Nov. 6, 2020	Nov 7 - Nov 20
Feb. 6, 2021	Jan. 8, 2021	Jan 9 - Jan 15
Apr. 17, 2021	Mar. 12, 2021	Mar 13 - Mar 26
Jun. 12, 2021	May 7, 2021	May 8 - May 21
July 17, 2021	June 18, 2021	June 19 - June 25

Here are the test dates and deadlines for the SAT:

Test Date	Registration Deadline	Late Fee Required	SAT Tests Given
Aug. 29, 2020	Jul. 29, 2020	Aug. 16, 2020	SAT Test & Subject
Oct. 3, 20	Sept. 3, 2020	Sept. 21, 2020	SAT Test & Subject
Nov. 7, 2020	Oct. 7, 2020	Oct. 25, 2020	SAT Test & Subject
Dec. 5, 2020	Nov. 5, 2020	Nov. 23, 2020	SAT Test & Subject
Mar. 13, 2021	Feb. 13, 2021	Feb. 24, 2021	SAT Only
May. 8, 2021	Apr. 9, 2021	Apr. 27, 2021	SAT Test & Subject
June 5, 2021	May 7, 2021	May 18, 2021	SAT Test & Subject

Use of Calculators on the SAT and PSAT

Although no question on either test will require a calculator, on the basis of what has been learned about calculator use from field trials, the College Board now recommends that students bring a calculator with them when they take the new PSAT/NMSQT and SAT1. Students will have the option of using virtually any type of scientific or graphing calculator, but may not use calculators with paper tape or printers, calculators with typewriter-style keyboards, hand-held mini-computers, pocket organizers, or lap-type computers.

Iowa Assessments

The Iowa Assessments take place in April. The Iowa Assessments measure what we believe should be our top priority at WHS: basic skill development. Students who significantly improve their Iowa Assessments scores this year and/or score in the top ten percent in the nation will receive a Washington High School t-shirt. Top scores in all classes will receive plaques. Many certificates are also awarded. Last year several hundred Wash students received these awards.

Advanced Placement Exams

AP exams are administered in May. We encourage students who are enrolled in Washington AP courses to take the AP exams. Exam registration will begin in October. Students qualifying for free or reduced price lunch have their AP exam fees waived. *Fee waivers are possible for ACT, SAT, PSAT, and AP Tests. Please contact your counselor.

PSAT/National Merit Scholarship Qualifying Test

The PSAT/NMSQT takes place in early October. The test is offered only once each year, and only juniors are eligible for National Merit competition. Sophomores may take the test for practice if they wish with all costs paid by the CRCSD. Specifically, the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test is intended to give juniors:

- a comparison with other students across the United States in verbal and mathematical reasoning.
- a “trial run” for the SAT and to see what college entrance tests are like.
- an opportunity to enter scholarship competition administered by the National Merit Corporation.
- a chance to participate in the Student Search program which provides new information regarding colleges and financial aid.

Students planning to apply for corporation scholarships such as Rockwell, Quaker Oats, Kodak, etc., should definitely register for this test. A \$20.00 registration fee must be paid to the secretary in the Counseling Office prior to the deadline announced by Counseling. Upon payment for registration, juniors will receive a bulletin which includes a practice test, complete with answer key, scoring instructions, and other information about content and uses of the test. In December, students will receive a report of Student Answers displaying the correct answers and the student’s responses as well as scores. Test booklets will be returned at the same time for students to review the original questions. Students may wish to make use of the computer program designed to give practice in vocabulary skills. Disks in the IMC may be checked out for use in the IMC Computer Lab.

PARENT NOTES

Cap and Gown Orders Information about cap and gown and announcement ordering procedures will be given to seniors at a class meeting held in October.

Attention Parents of Juniors and Seniors

Kirkwood's College Fair is held in November. Over 100 colleges, trade schools, and representatives from post-high school training programs will be there. The WHS counselors feel this is an excellent opportunity for students and parents to visit with representatives from several colleges and vocational schools to learn about their programs. Students may be excused from classes to attend the College Fair. A list of institutions that will be represented is available in the Counseling Office. In addition to benefiting seniors, this program introduces juniors to post-high school educational opportunities.

Post-High School Plans

Senior parents are reminded that they may schedule an appointment with their student's counselor to discuss post-high school plans. We realize that this process is at different stages with each family. If you are interested, please schedule a conference at your convenience, 558-2142.

STUDENT FUNDRAISING

Organizations that intend to fundraise, must go through the activities office for approval.

Funds raised by performing arts students for trips/tours can be applied to pay ensemble fees upon request, BUT only in the school year when the funds were raised. Monies raised by a student may be accumulated during the student's years at Washington to be applied to a tour, but unused funds will revert to Washington High School upon graduation. Exception to unused funds: funds may be transferred to a sibling's account upon request.

INFORMATION ABOUT REQUIRED FEES

Consumable Materials Fee

There is a district-wide High School Consumable Materials Fee of \$96.00 per student. The \$96.00 covers all fees except:

- Music Instrument Rental fees
- Music Uniform fees, which vary greatly from ensemble to ensemble
- Travel expenses including airplane, rental car, charter coach, hotel, and meal costs for extended trips or tours
- Special materials for personal projects
- Although PE locker combination locks may be used at no cost, there is a \$2.75 charge for lost locks

The Board of Education approved \$96.00 fee must be paid by all students. However, if your student is eligible and has registered for free or reduced priced lunches, the Consumable Materials fee is \$59.00. This year, the Consumable Materials Fee must be paid separately from Optional Fees. This process is carefully explained in the annual "back to school" mailing. Required fees can be paid by check payable to Washington High School or online in the Parent Portal of Infinite Campus.

INFORMATION ABOUT OPTIONAL FEES

Activity Punch Card The \$50 Activity Punch admits the student into all sports events at Washington High School at no charge except for state sponsored tournament games. The student is also admitted free into Washington games at Kingston Stadium. Students eligible for free or reduced price meals may buy Activity Punches for \$15. In addition, students with an Activity Punch receive discounts to certain performing arts events and free admission to others. Do not purchase an Activity Punch Card if you are purchasing a Family Pass from Washington Athletics (WAC). Parking Hanger Students must buy a "parking hanger" for \$15 (preferential parking) or \$10 (non preferential) and display it on all vehicles that are parked in school parking lots. See the parking policy.

Music Uniform & Travel Fees*

- \$15 Washington Singers
- \$30 Concert Chorale
- \$30 Concert Choir
- \$45 Madrigal Singers
- \$500 Momentum Members
- \$400 Celebration Members
- \$300 Vivace
- \$150 Slice of Jazz
- \$45 Orchestra
- \$100 Band
- \$250 Dance Team
- \$30 Color Guard
- \$30 Percussion
- \$75 School-Owned Instrument (12 months)
- \$30 Second Instrument
- \$30 Second Instrument (3 months)

*All music fees are paid by Patrons of the Performing Arts for students eligible for free/reduced price meals.

The Monument – Washington’s Yearbook

School yearbooks cost \$55 if ordered during the first semester. During the second semester the price goes up to \$66. After second semester, yearbooks will be \$70. until pre-ordering ends at the end of spring break. The website for ordering yearbooks will be available on the Washington home page.

Combine these optional fees; Activity Punch Card, Parking Hanger, Music & Travel, and Yearbook on one check **payable to Washington High School** or online at crwash.cr.k12.ia.us, select “School Cash Online” from “Quick Links.” All checks must have the Student(s) name or ID number on the memo line.

For all school fees questions contact: Ronda Harriott Bookkeeping Office 319-558-2049

OUR GOAL: A SAFE, DRUG AND WEAPON FREE CAMPUS

Spencer Watts is our new School Resource Officer at Washington High School. Officer Watts law enforcement career began 2007 where he was an DNR officer for the state of Iowa. In 2010 he joined the Cedar Rapids police department

Top priorities for Officer Watts include preventing intruders from coming on campus, investigating any possible criminal behavior by Wash students or against Wash students, keeping illegal drugs and alcohol off our campus, and providing the school administration with information the Police Department may have that relates to Washington students. Officer Watts always has his squad car with him so he can also respond to traffic violations on and near the campus.

Single Point of Entry

Washington's goal is to take every possible step to ensure all students' safety and be aligned with safety components of all other district high schools. When doing an evaluation of the school's current state of safety, the highest yield, easiest leverage point, and critical addition for our security was having a single-point of entry to our building during the school day. Therefore, the entryway was remodeled and improved over the summer. Going forward, the standard entries/ exits (gym, south lot, north lot, fine arts wing, café, and main entrances) will be open before school begins. After 7:50 a.m., all students, parents, and guests are to enter the building through the main entrance and check in with attendance or main office staff. The other doors in the building will be locked for the duration of the school day.

Other Security Efforts

Washington High School has over 52 video surveillance cameras in operation at all times through the building and campus. Those cameras are immensely helpful in documenting inappropriate behavior on campus. Washington also has an electronic door lock system. Many doors to the building are locked at all times. Others are unlocked only during passing times when students are entering and leaving the building.

While details about the Cedar Rapids Community Schools bullying and harassment policy are explained on page 28, here is a shortened version:

- If you feel that you are being bullied or harassed at school, at school events, or on the way to or from school by anyone (a student, a group of students, a staff member) tell someone. Tell an administrator. Tell Officer Watts. Tell your counselor. Just tell someone in authority of your concern! Don't wait...tell someone immediately.
- You may also complete a written report on forms available in the Counseling Office, Main Office, Clinic, and IMC.
- Some students may feel that if they tell someone, the bullying or harassment will get worse. Don't feel that way. Tell school officials. They will do everything possible to STOP the bullying or harassment!
- Some students may feel that if they report bullying or harassment, there could be retaliation against them by the person or persons they are accusing or their friends. Don't feel that way, either. Tell school officials. They will do everything possible to stop the bullying or harassment and prevent any retaliation!

The entire "Bullying and Harassment of Students" policy for the Cedar Rapids Community Schools (CRCSD) is readily available by going to the CRCS home page and clicking on "policies and procedures" on the right side of the home page. Then click on policy 612.1.

GENERAL INFORMATION

Warrior Cafe Lunch is a 24-minute period. The fourth period teacher will indicate the lunch time designated for his/her particular class. Students are encouraged to eat lunch in the cafeteria. Breakfast is available from 7:00 to 7:45 a.m. Some students at Wash are eligible for free or reduced price lunches and breakfasts. Check with the bookkeeper if you think you may be eligible. The completely re-designed and remodeled WARRIOR CAFE opened in August, 2014. As students enter the serving area, they are able to choose from five serving lines. Each line offers a different type of food. After choosing their food and beverages, they leave the serving area through several check-out lines. Students really like the new ambiance in the WARRIOR CAFE!

- Students must have cash or a sufficient account balance to make a purchase.
- Students are not allowed to charge meals or ala carte items if they have insufficient funds.
- Students will be notified of their balance verbally at the cash register.

Bus Transportation

Students living three miles or more from Wash are entitled to free bus transportation. For information call 558-2318 or 558-2161. Many students who live within the 3 mile limit ride the city buses for free with a student ID.

Summer School

Students who need to make-up courses after course failures may do so during summer school. Summer courses last from one to six weeks and begin immediately following the close of the second semester.

Visitors

All visitors must check in at the main office. Visitor passes may be issued if the visitor is sponsored by a Wash student, but visitors are discouraged during the first or last week of a semester and on the day before or the day after a school holiday. Visitor passes will not be issued to students from other metro-area schools at any time. Visitors must be a high school age and enrolled in schools outside the metro-area.

The following Cedar Rapids Community School District regulation 1002.2 applies to Washington High School:

- Individuals and representatives of non-school organizations and programs may not meet with students(s) on school property during the school day (7:00 a.m. to 3:30 p.m.) without permission from the student(s), parent(s), the school principal, and the appropriate executive director.
- Officers and representatives of authorized school organizations (PTA, booster groups, etc.) may conduct activities, such as the sale of merchandise, on school property during the school day with the approval of the school administration.
- In middle and high schools, approved post-secondary educational program representatives may meet during the school day with students who sign up in advance with school officials. With the approval of the school administration, representatives of U.S. military branches of service may meet with and provide information to students. These meetings must be held in a designated area.
- In middle and high schools, business representatives and other organizations who wish to contact students for appropriate purposes may obtain directory type information.

ID Cards

Students must have a valid Washington High identification card, which is to be carried at all times and made available upon request to staff members. The ID card is necessary for checking out materials from the IMC and for purchasing lunch. It is also an activity ticket that admits the student into all co-curricular events at Washington High School (except for state sponsored tournament events) when the \$50 activity punch is purchased. It also admits students to Washington games at Kingston Stadium. Students will be charged for an ID replacement. Students must have their ID card to enter Kingston Stadium.

Qualifications for Student Senate and Class Officer

Students who wish to seek and hold Student Senate and class offices must meet the following requirements:

- Cumulative GPA of 2.50 or above.
- No disciplinary suspensions or good conduct infractions in last year (from date of election).
- No more than three detentions in previous school year.
- Letters of recommendation from five teachers (at least three from current or immediate past term teachers and no more than two from a single department).
- No court convictions (other than minor traffic violations).
- Thirty student signatures.
- If qualified to run and elected, failure in any of the above areas will lead to removal. If the president is disqualified, the vice president becomes president. If one of the other officers is disqualified, the remaining officers will appoint a replacement with the approval of the principal.
- In the event a student admits to, is found guilty, or there is a preponderance of evidence of using alcohol, tobacco, or using drugs illegally, or admits to or is found guilty of a crime (except minor traffic violations) while in office, the student shall be immediately removed from office. See previous item for succession procedure.

Work Permits

Permits for working are issued to students ages 14 and 15 by the Iowa Workforce Development office (Lindale Mall) or our main office. Medical Exam Form for Athletes Every year each student athlete must present a certificate, signed by a physician and by the responsible adult, stating that the student has been examined and may safely engage in athletic competition. Physicals dated within the last 13 months are acceptable. A concussion sheet signed by both athlete and parent is also required.

Good Conduct Rule for All Co-Curricular Activities

The Good Conduct Rule is explained in detail in a policy statement that was included in your regular fall mailing from Washington High School. Eligibility is also detailed in that document.

Student Eligibility for Co-Curricular Activities

The following are general eligibility rules for athletics, fine arts, and other co-curricular activities.

All contestants must be under twenty years of age.

All contestants shall be regular students of the school in good standing; they shall have made passing grades in 4 credit hours the preceding term for which they are enrolled, and shall be making passing grades in 4 credit hours the current term. At the time of eligibility, they must be making progress towards graduation. Students shall pass all classes at the end of each term in the past 12 months to be eligible.

No student shall take part in contests for more than eight semesters in high school.

Attendance on Days of Activities

Student participants are expected to attend classes on the day of a scheduled activity. Those not attending classes on the day of an event will usually be ineligible to participate in the activity. Any absentee exceptions must have the advanced approval of both the coach or the director and the Activities Director. Very few exceptions will be considered, but these could include court summonses, funerals, and medical appointments. Prospective NCAA Division I & II and NAIA Student-Athletes' Responsibilities An NCAA rule affects all NCAA Division I and II freshman student athletes and requires them to register with the NCAA Initial-Eligibility Clearinghouse. Prospective NAIA athletes must follow similar procedures with the NAIA Clearinghouse. Contact your high school counselor or the Activities Director if you have questions. There are many additional factors to consider. Get all the facts!

Participation on Non-School Athletic Teams

A student who participates in a sport sponsored by the District may participate on a non-school team with permission of the Activities Director. Outside participation shall not conflict with the school sponsored athletic activity without prior approval by the Activities Director. It is the responsibility of the student athlete to inform school personnel of a conflict. A student who participates in a sport sponsored by an organization other than the District without obtaining permission shall be ineligible to participate on a school-sponsored team in that sport for one third of the season. A second offense shall be ineligible for one-half the season, while a third or more offense shall be ineligible for twelve (12) calendar months.

IMC (Library)

The IMC is open from 7:30 a.m. until 3:30 p.m. Materials include a large selection of books, magazines, pamphlets, and non-print items. The IMC also has computers for students to use for educational purposes only. If you forget your password, please ask a media specialist for help. An ID card or schedule sheet is necessary to check out materials. If you do not have identification, materials can be held for you. Books are checked out for two weeks and can be renewed. Fines for overdue materials are charged for each school day. If items are lost, then the replacement cost is charged. If you wish to come to the IMC during a study hall period, come to the media specialist before study hall begins and ask for an IMC pass. Take the pass to the study hall teacher who signs it and bring the pass with you to the IMC. You must stay in the IMC the entire period. You may also come to the IMC during a class period if your teacher writes you a pass.

Researching Online

Students have access at home and at school to several online databases. These are full text articles about current issues as well as photos, reviews, science, consumer, health, literary analysis, and education topics.

Go to the Washington IMC web site: <http://www.crwash.org/imc>
Choose from the following databases: EBSCO: over 500 titles provide current and past issues of magazines, newspapers, professional journals, and images.

User ID: Wash1053 (no spaces) Password: AEA10 (no spaces)

- Select the high school magazine collection
- Many users then choose MAS Ultra selection.
- Be sure to put a check in the full text box before entering your search terms

Proquest: Professional journals covering education topics. User ID:

Wash1053 (no spaces) Password: AEA10 (no spaces) AccuNet/AP

Multimedia Archives: thousands of newspaper photographs, graphics, tables, and maps. User ID: Wash1053 (no spaces) Password: AEA10 (no spaces)

Make the most of your time at Washington by setting goals to achieve one or more of these *academic awards*!

Presented at a School Assembly

- **The Academic Numeral:** Earn a minimum GPA of 3.0 for both semesters of grade 9.
- **The Academic Letter:** Earn a minimum GPA of 3.0 for any two consecutive terms in grades 10, 11, and 12.
- **The Academic Certificate:** As in athletics where students may earn only one varsity letter, Academic Letter winners receive only one letter. Students who earn at least a 3.0 GPA for four or six consecutive semesters receive a special certificate.

Presented on Senior Recognition Night

- **Outstanding Four-Year Math Scholar:** Complete four years of math.
- **Outstanding Four-Year Science Scholar:** Complete four years of science.
- **Outstanding Four-Year World Language Scholar:** Complete four years of a single world language.
- **Outstanding Four-Year AP Social Sciences Scholar:** Complete four years of AP Social Studies.
- **Warrior Credit Club:** Earn 54 semester credit hours over the course of four years of high school.
- **Advanced Placement (AP) Scholar Awards**
 - **AP Scholar:** Scores of 3 or higher on three or more AP exams.
 - **AP Scholar with Honor:** Average score of at least 3.25 on all AP exams taken and scores of 3 or higher on four or more exams.
 - **AP Scholar with Distinction:** Average score of at least 3.5 on all AP exams taken and scores of 3 or higher on five or more exams.
- **Four Years of AP Testing Award:** Take at least one AP exam each of four years.
- **Anna Purna Ghosh Scholar:** Take at least one AP exam each of three consecutive years and earn at least four scores of 4 or higher.
- **The Academic Honors Program:** Earn a minimum of 42 total credits, 30 of which are from core subjects (language arts, math, science, social studies, and world language), and maintain a minimum 3.0 GPA in core subject classes.
- **The Academic Honors Program With Distinction:** Earn a minimum of 48 total credits, 34 of which are from core subjects, complete four years of math, science, and language arts, three years of social studies, and two years of world language, and maintain a minimum 3.33 GPA in core subject classes.
- **Valedictorian Scholar Award:** Cumulative GPA of 4.0 or above.
- **Salutatorian:** Cumulative GPA between 3.95 and 3.99.
- **President's Award For Academic Excellence:** Sponsored by the President of the United States and presented to seniors with cumulative GPA at or above 3.5 and scores on national standardized tests at or above the 85th percentile.
- **National Merit Commended, Semi-Finalist, and Finalist Awards:** Based on PSAT scores and given by the National Merit Scholarship Corporation.

Non Discrimination Policy

It is the policy of the Cedar Rapids Community School District not to discriminate in educational programs on the basis of race, creed, color, gender, sexual orientation, marital status, gender identity, socioeconomic status, national origin, religion, disability, age (except for permitting/prohibiting students to engage in certain activities) or genetic information and in employment opportunities on the basis of age, race, creed, color, gender, sexual orientation, gender identity, national origin, religion, disability or genetic information. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy, please contact Justin Blietz, Director of Culture & Climate Secondary Education (JBlietz@crschools.us), and/or Linda Noggle, Executive Director of Talent Management, (LNoggle@crschools.us), Educational Leadership and Support Center, 2500 Edgewood Rd NW, Cedar Rapids, IA, (319) 558-2000.
