SENIOR GOV & ECON CLASS VISITS

Counselors visited each American Government and Economics class starting September 26 and ending October 5. The purpose of the visits was to review important senior information with students. Counselors helped students review their transcript, do a graduation credit audit, and determine which awards they qualified for upon graduation (ex. 4-year math medallion, etc.). Information about 2 and 4-year colleges, employment, military service, and apprenticeships was shared to help students formulate plans after graduation. Makeup sessions will be held for absent and online students, and dates will be posted on the senior website, along with the materials given to students.

COUNSELOR SPOTLIGHT

Kristin Mangrich
College & Career Transitions

Kristin is in her second year as the College & Career Transition counselor here at Washington! She is a Kirkwood employee, but can (and does!) assist students with all post-secondary planning. Kristin takes students on college visits, assists with college and job applications, and more!
