### COLLEGE CONNECTION

After two years away, College Connection is BACK! Recent Washington grads will be invited to participate and share about their post-high school experiences. This year the event will feature both a panel discussion and time for current students to mingle with returning grads to get their take on college life. The event will take place on December 20 during 2nd block (B day), and current students will need to get permission from the teacher of that class to attend.

### COLLEGE APPLICATIONS

Seniors who need transcripts and/or recommendation letters sent to colleges by January 1 must request them no later than December 9. We cannot guarantee materials will be sent out by winter break for requests after that date.

### 2023-24 REGISTRATION

In order to get a jump on planning for next year, the timeline for choosing courses has moved up significantly, which is why this is happening before the first semester is done. Over the next several weeks, students will be getting recommendations from current teachers and will register for courses to take next year. Specific dates are listed under "Upcoming Events" below, and counselors will be assisting students during registration. Changes to course selections will be allowed and additional information on how and when to do that will be provided at a later time.

Counselors encourage families to discuss future plans with their students. Registration materials can be found online at Wash's Registration Central page ([bit.ly/CWRRegCentral](https://bit.ly/CWRRegCentral)).

### COUNSELOR SPOTLIGHT

*Kim Weiland*  
 Counseling Secretary

Kim is in her 13th year as the counseling office secretary, and prior to that, she worked in the Washington attendance office for a year. She helps keep the counseling office organized and running smoothly by doing behind-the-scenes work and being the first friendly contact many people have when calling or visiting. Kim is a seasoned professional and Washington is lucky she's here!
