2023-24 REGISTRATION

What a whirlwind registration has been! We are pleased to report nearly all current students have completed registration! McKinley students worked with counselors on Dec 8 and they will visit Franklin on Dec 15. Harding's sessions along with a special meeting for students coming from non-CRCSD middle schools will happen in January.

The entire Wash staff deserves a shout-out as they embraced a new process that greatly improved the quality of choices students made. Teachers spoke with each of their classes about recommendations for future courses in their respective departments. Students report feeling better informed of their options and more confident in their future plans!

Registration materials can be found online at Wash's Registration Info Hub, bit.ly/CWRRegistrationHub.

COUNSELOR SPOTLIGHT

Jennifer Byers

Counselor, Dept. Co-Chair

Jen joined the Washington Counseling department in 2006 and is the counselor to students with last names beginning with the letters E-K. Her specialty is helping students with post-secondary plans and designing counseling media. Anything organizational is her jam!

Favorite Show & Movie: Friends & National Lampoon's Christmas Vacation

Advice for Students: Apply to the college, audition for the ensemble, try out for the team! The worst thing that can happen is you don't get chosen, which is the same outcome as if you don't try at all.
