GOOD STANDING POLICY

- **ATHLETIC EVENTS**
- **SCHOOL DANCES**
- **PRODUCTIONS** (PLAYS, CONCERTS, ETC.)

AN ATTENDANCE AND GRADE REPORT WILL BE RUN EVERY FRIDAY AFTER SCHOOL TO DETERMINE STUDENT ELIGIBILITY.

ARE YOU IN GOOD STANDING? IF SO, THEN YOU CAN ATTEND!

GOOD STANDING

Students will be able to attend events if they meet **all** of the following criteria:

- Be failing no more than one class
- Accumulate less than six tardies per week.
- Maintain a minimum attendance rate of 80%
- Have no behavior referalls on record.

*Suspensions may impact a student's standing for an extended period, as determined by the Admin team.

BOOSTS

Students can reinstate their status by taking the following steps:

- Students who are not passing multiple classes must obtain verification from each teacher confirming they are making measurable progress towards passing.
- If a student is passing their classes by the time of the event, they may be eligible to attend with approval from a member of the Admin team.

Students must present their school ID at the event to verify status.
Good standing is evaluated at the end of each one-week cycle.

CONDUCT POLICIES TO
ESTABLISH INITIAL ELIGIBILITY.

Any student who is failing classes is required to attend a mandatory study table for two hours per week.

PROCEDURE

- Every Friday after school, an attendance and grade report will be generated.
- Students failing any classes will be required to attend Study Table the following week.
- Students not passing at least four classes, have an attendance rate below 80%, and/or accumulate six or more tardies in a week will be prohibited from participating in competitions for the following week. (Unless the student raises their grades to passing before the event, in which case they may regain eligibility)
- Students who do not complete the required two hours of study table will be ineligible for the next competitive event. Additional consequences will be determined on a case-by-case basis.

Furthermore, any unexcused absence will result in the student being unable to practice or participate in activities for that day.

STUDY TABLE

- Students are required to meet with their teachers to improve failing grades. They may work individually with teachers until 3:30 p.m. and must then report to study table from 3:30 to 4:00 p.m. with a pass from the teacher they were working with.
- Students must attend practice immediately following dismissal from the mandatory study table, provided they have a pass from the study table advisor and practice is in session.

*Students are required to attend until their grade reaches a passing percentage.

Students may appeal any decision by submitting a request to the Activities Director.
